CODEC Training Centres

To develop democratic participation of coastal and riverine communities in the mainstream of development process, CODEC has been following the trail through learning by doing process. And to run these programmes smoothly, CODEC is operating its three Training Centres in Chittagong, Patuakhali and Bagerhat to provide service and facilities.

The necessary information of the centres is stated below :

CODEC Training Centre, Chittagong

CODEC has established its own Training Centre near the bank of Karnaphully River, engulfed with natural beauty and rural essence in the year 1994. The centre is away from all sorts of urban chaos and disturbances. The centre is established on 6.7 acres of land with five ponds, horticulture, paddy fields, dormitories, trainer's room, Class room, library, recreation room, staff accommodation, dining etc. The initial construction was financed from the Danish Radio Calendar Funds.

The Centre is operating the training programme of CODEC's target members and staff development programme and also extends support to other GO and NGOs for their training, strategic planning, meetings and workshops etc.
